NATIONAL GOOD LABORATORY PRACTICE COMPLIANCE MONITORING AUTHORITY (NGCMA)

In collaboration with Quality Council of India (QCI) and National Institute of Pharmaceutical Education and Research (NIPER), Hyderabad, Government of India announces

NATIONAL WORKSHOP SERIES ON GOOD LABORATORY PRACTICE (GLP) SENSITIZATION FOR FACULTY & SCIENTISTS

Host Organizing Institution | National Institute of Pharmaceutical Education & Research (NIPER) | Hyderabad – 500037 | Telangana | India

March 29, 2019 (Friday)

Time: 08:30 to 17:30

Scientists working in drug discovery and development area in academic institutions, National and State laboratories are not adequately exposed to Good Laboratory Practice (GLP) and regulations. It is important to be aware of GLP so that the data generated is acceptable to Regulatory bodies within and outside India. In academic publications, the reproducibility factor has become more crucial for reputation of the scientists and the laboratories. Much can be relied upon by adoption of GLP. The National Good Laboratory Practice Compliance Monitoring Authority (NGCMA), Department of Science & Technology (DST), Government of India has Mutual Acceptance of Data (MAD) signed with OECD countries. NGCMA, DST strives to create a GLP eco-system in India. In this regard, NGCMA in collaboration with QCI and NIPER-Hyderabad is organizing a national workshop series. We invite you to attend the third program in this series at National Institute of Pharmaceutical Education & Research (NIPER) Hyderabad.
