

30.08.2022

MESSAGE

The launch of Swachh Bharat Mission by the Hon'ble Prime Minister on 2nd October, 2014 has placed the issue of sanitation at the centre of the Government's development agenda. Observance of "Swachhata Pakhwada" is a follow up to engage all Central Government Ministries/Departments in *swachhata* related activities to make the workplace clean and green towards increasing productivity.

I am happy to note that the Department of Pharmaceuticals is entrusted with observing this year's Pakhwada from 1st to 15th September, 2022. I am also happy to see the elaborate Calendar of activities chalked out by the Department, not only for its own employees but also for those working in its attached office, autonomous bodies and PSUs.

I urge all Officers and staff to contribute through their best efforts to achieve fruitful results during the *Swachhata Pakhwada* and inculcate in others the practice of swachhata as part of their day-to-day life, in order to achieve our goal of Swachh Bharat!

(Dr. Mansukh Mandaviya)
